CORE BELIEFS

We believe that all students have an unlimited capacity to learn and all students can be successful when provided with quality instruction and sufficient learning time to accomplish defined goals.

We believe that ensuring success at initial levels of instruction will make certain that students are successful at subsequent levels affording each student the necessary tools for lifelong learning.

We believe that we, as educators, control the instructional environment of our schools and as such, promote an atmosphere that is conducive to high levels of achievement that result in successful adults.

FUNDAMENTAL OBJECTIVES

Comal ISD's objectives are to ensure that all students, through their educational experience, have the ability to:

1. select a career based on their educational training,
2. be prepared to make positive choices as it applies to solving problems we are confronted with on a daily basis,
3. have the requisite skills to continue their education at a more advanced level (college/ university or career training), and
4. be a self-sufficient, self-directed learner.
