Session A- 1/23, 1/30, 2/6, 2/13, 2/27, 3/5

Students will hone their drawing skills while having fun drawing an arctic scene with polar bears, sea otters, penguins and more. We progress to a more complex lesson with shading, and learning to create depth in their drawing. Kids have fun painting birdhouses in watercolor. We will continue our study of birds as we do an owl chalk pastel

Session B - 3/19, 3/26, 4/2, 4/9, 4/16, 4/23

Students learn basic architecture as they assemble colored paper into a collage of a city scape. Have fun constructing towering skyscrapers, shopping malls, restaurants and more. They will also build a clay sculpture and paint with acrylics on canvas. Join us for an amazing session of drawing, painting and sculpting, as you watch your little artist create unique masterpieces.
