

Summer Golf Camps 2012

Sponsored by CISD Community Education

Golf in Schools is a national golf enrichment program for school-aged students. Each lesson focuses on a golf skill as well as a life skill. Students walk away from our classes having learned the rules, etiquette, elements of a golf hole, how to grip, aim, stand and swing. Students learn about honesty and how to be a good competitor, they apply goal setting, and discover the importance of doing your best.

Our Classes Center on:

- *Golf skills in a fun learning environment*
- *Teamwork and important social skills*
- *Goal setting and personal achievement*
