132 HOW TO AUDITION

Ever wonder how people get speaking parts in movies and commercials. They know how to audition. Before you can ever play the role, you have to know how to get the role. Most every actor will tell you the audition is the toughest part of acting in film and commercials. You can learn how it's done from LA to New York. In this class, you will actually go through the auditioning process, including video taping your read and reviewing it so you can see what it takes to make it in the biz. You will start learning to think like an actor. The class is conducted in a positive type approach to learning how to audition. Commercials and film roles will be given to students and within a short period, the camera will "roll". It's fun and challenging. Class limit of 14.

Date: Oct. 6 - Tuesday - 4 weeks
Place: Canyon High School

136 "SKAT" THE CARD GAME

Skat, pronounced Scot, is the ultimate game incorporating elements of skill and chance. It possesses the challenge of chess, the finesse of bridge, and the excitement of poker. Although it is a game played with cards, the similarities between Skat and other games, be they mental or physical, can quickly be detected as the game is learned and mastered. If you thrive for a challenge, this game can become the most rewarding experience you've had in any competitive situation.

137 BASIC INVESTMENT COURSE

This educational course is designed for individuals who want to learn more about setting realistic financial goals, making wise investment decisions, and avoiding unexpected financial risks. The course begins with the very basics of finances, including examining some of the most common reasons why people fail to meet their investment goals, some money management tips that can help make sure you don't fall into those traps, and rules that every investor should know and follow.

We'll also examine many of the investments available; everything from certificates of deposit to annuities and the advantages of each. This will allow you to determine which investments are best suited to your personal needs and objectives. We'll finish the course with a look at retirement planning and ways to ensure your older years will indeed be your golden years.

REMEMBER!!

**Register
Early!!**

Some classes have maximum enrollment limits and fill very quickly.

Tuition Charges: All fees are payable in advance. Classes are self-supporting with fees financing and sustaining programs.

Late Registration: Students may register at the first class if space is available and the class has not been cancelled.

Cancellations: Some classes have minimum and/or maximum enrollment limits. Register early to avoid disappointment as classes will be cancelled for lack of registration. Registrants will be notified if a class has been cancelled. **(CISD only):** Classes cancelled by Community Education will result in refund by mail. Students have option to cancel before second class begins to receive refund unless class only has one session.

Discounts: Senior citizens, age 60 and over, are entitled to a 10% discount on tuition, unless otherwise stated. Full cost of materials will be charged. If immediate family members living in the same household take the same class, a 10% discount on tuition is given to everyone after the first member. Please do not request both a senior citizen discount and a family discount. No discount will be given for class tuition \$20 and under.

Confirmation of registrations will not be sent. You will be contacted if a class is cancelled or already filled when your registration is received. We encourage you to call prior to your class meeting date to confirm.
