ASIS students win state chess title

Congratulations to six Arlon Seay Intermediate students who captured first place in the Texas Elementary Novice Division at the state chess tournament, held March 8-9, in Houston.

ASIS beat out 112 other competitors and staged a last-day comeback to capture the first-place trophy.

Receiving a giant state-championship trophy were Connor Lathrop, Carl Swatzell, Sean Dooley, and Dalton Reid, Zackary Rogers and Gus Grusendorf.

"I was thrilled for our kids," ASIS coach Mark Abolafia-Rosenzweig said. "They were going absolutely nuts when they realized they were the champions."
