CHS JROTC students help in flood cleanup effort

Canyon High senior Julisa Sanchez, a member of the school's Air Force JROTC program, lends a hand to New Braunfels residents Fred and Marilee Maxwell during a cleanup effort. The Maxwells' home, which sits very close to the

banks of the Guadalupe River, was flooded during heavy rains on June 9.

Sanchez' mother, Alma (pictured in the background), also volunteered. In addition, CHS students and JROTC members Anthony McMonagle, Nathan Roberts, Andrew Staley and Travis Knight aided in the daylong effort on June 29 to remove debris at the house in the Summerwood subdivision.
