### Students enjoy Comal County Junior Livestock Show

Students from across Comal ISD participated in the Comal County Junior Livestock Show at the Fairgrounds in New Braunfels, Feb. 24-27.

Pictured is Comal Elementary third-grade student Zane Soechting, right before he showed his Chianina Steer named Roper.

Also pictured is the Smithson Valley High tractor restoration team (from left) Dillon Sampson, Coker Moeller, Michael Radino and Trey Rogers, who restored this beautiful 1952 John Deere tractor to enter in the Ag Mechanics contest, and Kelsie Asher (left) and Kaitlyn Craft, proudly showing off their prize-winning lambs. Craft's lamb won Grand Champion and Asher's won Reserve Grand Champion.

Students showed and auctioned off goats, steers, hogs, lambs, chickens, turkeys and rabbits. Funds raised will go toward their college scholarship fund and can be applied to raising next year's crop of livestock.
