### Star athletes compete at Cougar Relays

Several Comal ISD students competed in the Star Athlete Division of the Canyon High Cougar Relays on April 1.

These budding track stars competed in a 50-meter dash and a 100-meter dash.

Pictured (left to right) are Gage Farmer, Trevor Barger, and Matt Rodriguez stretching for the finish line in the 100-yard dash; Canyon High student Amanda White giving Rodriguez his post-race medal; and the entire group of Star athletes and student volunteers.

All 10 Star athletes participating in the event received medals.

Congratulations to everyone who competed on this fun afternoon!
