### “Super Hero” week gets students ready to read

Students at several different Comal ISD elementary schools had a great time during “Super Hero” week.

Librarians  
Stacy Wilkie

(Hoffmann Lane Elementary), Stephanie Arnold (Specht Elementary), Dawn Mulder (Rahe Bulverde Elementary), Cindy Bishop (Rebecca Creek Elementary), Sheri Wersterfer (Startzville Elementary), and Stephanie Hockman (Johnson Ranch Elementary) created iMovies where they flew around the world to different exciting locations like the Eiffel Tower, Great Wall of China, and the Egyptian Pyramids before landing back at their respective school libraries.

Students checked out books and talked about how to be a superhero in the library. They also dressed in red “Super Reader” capes and read books like “Gingerbread Superhero” and “Superhero ABC.” Even school principals got in on the act, donning “Super Principal” capes when they made appearances in the library.
