Three school board seats up for election in Comal ISD

The annual board of trustees' election in the Comal Independent School District is Saturday, May 10, 2008. Candidates interested in filing for one of the three seats up for election can do so starting Monday, Feb. 11. Deadline to file is March 4 in the special election for single-member district 1 and March 10 in single-member districts 3 and 4.

The school district is divided into seven single-member districts, each represented by a member of the board of trustees who serves a three-year term. For 2008, single-member districts 3 and 4 are up for election. In addition, a special election will be held in single-member district 1.

Currently representing District 3 is Frank Baker, vice president of the board, who has been on the school board since 2005. His area covers the north side of Canyon Lake and some of the Spring Branch area on Hwy. 281 north.

Donna Holmes, school board secretary, represents District 4 and has been on the board since 2005. Her area covers the southern part of Canyon Lake, Startzville, and south to Hwy. 46.

Carolyn Miller currently represents District 1 and was appointed to that seat last summer after Laura Kistner resigned because she moved outside of her trustee district. Two years were left on Kistner's term at that time so a special election must be held this May for the remaining year on that term that Miller has been filling.

People interested in filing for one of the seats must be registered voters, live in the single-member district they are filing for, and have been residents of the district for six months. Voter registration cards tell each patron their single-member district number.

Applications for a place on the ballot and additional information are available from the CISD Support Services Center, 1404 IH 35 North, New Braunfels, TX, 78130. For more information call 830-221-2000 / 830-885-1791.

The following are detailed boundary descriptions of single-member districts 1, 3, and 4. For maps of the districts visit http://www.comalisd.org/About_Us/Board_District_Maps.asp.

DISTRICT ONE: Begin at the intersection of the Guadalupe River and Missouri Pacific Railroad. Proceed northeast on the Missouri Pacific Railroad, southeast on Farm-to-Market 306, northeast along the Interstate Highway 35 frontage road, west under Interstate Highway 35 at York Creek Road, southwest along the Interstate Highway 35 frontage road, southeast on Farm-to-Market 483, southwest on Farm-to-Market Road 1101, southeast on Saur Road into Guadalupe County. Follow the Comal I.S.D. boundary around the northeast portion of the school district territory located in Guadalupe County. Then follow the Guadalupe River northwest back to the point of origin with the Missouri Pacific Railroad.

DISTRICT THREE: Begin at the intersection of the Comal I.S.D. northeastern boundary (Comal/Hays County line) and Purgatory Road. Go south, southeast on Purgatory Road, west on Farm-to-Market Road 306 to the intersection with Spring Mountain Drive. At the intersection of Farm-to-Market Road 306 and Spring Mountain Drive, go directly southwest to the Guadalupe River. Go west on the Guadalupe River, northwest along the northern Canyon Lake shoreline, and then west/southwest along the Guadalupe River. Follow the Guadalupe River in a westerly direction to its intersection with the Comal/Kendall County line. Follow the school district boundary north around the school district territory located in Kendall County and then proceed northeast along the school district boundary, also being the Comal/Kendall and Comal/Blanco County line. Follow the school district boundary around the school district territory located in Hays County, and continue in a southeasterly direction along the northeastern school district boundary (Comal/Hays County line) back to the point of origin with Purgatory Road.

DISTRICT FOUR: Begin at the intersection of Triple Peak Road (Buck Road) and Farm-to-Market Road 2673. Go west on Farm-to-Market Road 2673, then southeast on Farm-to-Market Road 2722 to the intersection with the Comal I.S.D. boundary. Go southwest along the school district boundary, west/northwest on State Highway 46, northeast on Farm-to-Market Road 3159, and northwest on Farm-to-Market Road 311 to the intersection with the Guadalupe River. Go northeast along the Guadalupe River, then southeast along the Canyon Lake southern shoreline. Go south on Meckel Drive, and south on Triple Peak Road (Buck Road) back to the point of origin with Farm-to-Market Road 2673
