Meetings for parents of Comal ISD Gifted/Talented students

All parents of current Comal ISD Gifted/Talented (G/T) students are invited to attend a meeting where they will get to meet Dolly Adams, CISD Advanced Academics/Fine Arts Coordinator, and discuss topics such as what gifted services are available for their student.

Two meetings will be held, one Tuesday, Sept. 30, in the Smithson Valley Middle (6101 FM 311, Spring Branch) cafeteria, and another Wednesday, Oct. 1, at the Comal ISD Support Services Building (1404 IH35 N, New Braunfels). Both meetings are from 6:30-7:30 p.m.

Parents will receive information on what G/T is, how gifted students are found, identified and qualified for services, how G/T facilitators and teachers are trained, how is instruction differentiated, and what G/T services look like at different grade levels.

For more information, contact Adams at 830-221-2044.
