Comal ISD summer program concludes with carnival

A very successful Comal ISD School Age Child Care (SACC) summer program season came to an exciting conclusion.

On Aug. 11 at Johnson Ranch Elementary, more than 450 SACC students in grades K-5 from around the district attended a carnival complete with clowns, balloon makers, a bungee run, a dunking booth, and many more fun activities.

"This is by far the best SACC summer program we've ever had," said Charlotte Muniz, Comal ISD Community Education Project Manager. "We had a Cowboy Cook Off at Bill Brown Elementary, unique themed dances at Goodwin Frazier and Timberwood Park elementary schools, and now we have this great carnival where the kids are all having so much fun."

Students were also able to use the pool at Smithson Valley High all summer, and took several out-of-district field trips.

"We went to a San Antonio Silver Stars game as well as the San Antonio Zoo," said Muniz. "We went bowling in New Braunfels, and we went to Fiesta Texas. I've been associated with this program seven years now, and it just keeps getting bigger and better each year."

Johnson Ranch Elementary student Dylan Higle said there wasn't a single boring day during the Comal ISD SACC summer program.

"We never seemed to sit down," Higle said. "They always had us doing fun stuff. It was awesome."

Rahe Bulverde student Rob Ruff echoed the sentiments of many youngsters his age this time of year.

“I hate to see the summer end,” Ruff said. “I made a lot of friends in the program and would recommend it to anyone wanting to attend next year.”
