### **Early registration for Pre-K and kinder classes set in March**

Comal ISD will be registering four- and five-year-olds early for 2010-11 pre-kindergarten and kindergarten classes March 15-18.

By state law, a child must be five-years-old on or before Sept. 1 to qualify for kindergarten.

By federal law, children must meet requirements to be eligible for pre-kindergarten including turn four-years-old on or before Sept. 1 AND meet federal income requirements OR meet limited English proficiency qualifications OR be homeless OR be a child of an active duty member of the armed forces or a child of an armed forces member injured or killed while on active duty OR be in or have been in Texas Department of Family and Protective Services, foster care or other residential care. Morning and afternoon buses are available on established routes and at normally scheduled times. Mid-day transportation must be arranged by the parent or guardian for children in half-day pre-kindergarten programs.

Parents need to bring their child, copies of proof of income (if applicable), child's birth certificate, social security number (optional), current immunization records, and two documents showing proof of residency.

Documentation is required to determine if the child is eligible for pre-kindergarten. A current Free or Reduced Lunch application (if applicable) must be completed in August for the year in which the student will attend pre-kindergarten.

If parents have a child with special needs, be aware that services become available on that child's third birthday. For more information, contact the school or Special Education Department at 830-221-2088/830-885-1791/830-609-6280.
