Foundation Prepares for 4th Annual Comal Cajun Celebration

Plans are underway for the 4th Annual Comal Cajun Celebration hosted by the Comal Public School Foundation for Saturday, November 17 at 6:30 pm at the Kay Harrison Auditorium at The Scooter Store. This event promotes fun and fellowship and raises funds for the Foundation's Teacher Excellence Grant Program. Sponsor tables are available beginning at \$1,500 and individual tickets are \$60 per person. Tickets may be purchased online at www.comalpsf.org or by calling 830-214-5010.

The Celebration features great Cajun food and live and silent auctions. Fun and fellowship is the order of business for this casual fundraiser. Cajun music will fill the auditorium as guests bid on spectacular auction items from throughout the school district, including items from every school in Comal ISD.

This one-of-a-kind fundraiser will help kick off the holiday season on a high note. Support the foundation and check items off the holiday shopping list by browsing and bidding in the auction. The menu includes blackened catfish topped with seafood etouffee, ribeye with a crabmeat béarnaise, chicken and sausage gumbo, crawfish jambalaya and much more from Nash Family Catering.

The Comal Cajun Celebration is one of the Comal Public School Foundation's two major fundraisers. The Foundation exists to generate and distribute resources to the students and staff of Comal ISD to enrich, maintain and expand programs needed to achieve excellence in education. The Foundation is the catalyst for generating private funds to support educational programming that is beyond the scope of the normal operating budget. These funds are used to improve student achievement and skill development, and to recognize and encourage teaching excellence.

The Foundation awards grants to teachers annually, provides funding for district-wide initiatives on a targeted basis, rewards teachers of the year and recognizes top graduating seniors at the annual academic recognition banquet. All these programs are made possible through generous donations from corporate partners, community members, CISD employees, and parents. Foundation corporate partners for 2007-2008 include: GVTC; David and Jennifer Spencer; Pfluger Associates; Baird/Williams Construction, Ltd.; Bartlett Cocke General Contractors; HEB; The Overall Graduation Office—Herff Jones; the Law Office of R. David Fritsche; Riata Financial Services; SAMCO Capital Markets; SHW Group, Inc.; and Walsh, Anderson, Brown, Schulze & Aldridge. Sponsors for the Comal Cajun Celebration include: E Custom Homes; Hanson Aggregates; Klaus and Charla Weiswurm; and TXI.
