Welcome Back To School!

The Comal Education Foundation is excited to start the new school year and support CISD schools through:

- Grants to teachers for classroom programming;
- District-wide grants to support and expand district's goals and curriculum;
- Awards to teachers of the year;
- Resource books to first-year teachers entering the district; and
- Recognition of the top graduating seniors and their most influential teachers from the district's high schools.

Thanks to employee contributions and community donations the Foundation has committed to impacting nearly 4,000 students during the 2010-2011 school year.
