GT referral meetings to be held Nov. 2, 3

Comal ISD parents interested in learning more about the district's Gifted/Talented referral and assessment process are invited to attend one of two informational meetings.

The first meeting is taking place on Nov. 2 in the board room at the Support Services building located at 1404 IH 35 North in New Braunfels. The second meeting will be held on Nov. 3 in the cafeteria at Smithson Valley Middle School located at 6101 FM 311 in Spring Branch. Both meetings will run from 6:30-7:30 p.m.

In addition to learning more about the referral and assessment process, parents will have the opportunity to learn about the traits gifted/talented students' exhibit; the differences between students who are gifted and students who are high achievers; qualifying for placement; the appeal process; and retesting.
