Students, faculty at OCES aim to **“Help Change Haiti”**

Students and faculty at Oak Creek Elementary School started a “Help Change Haiti” relief drive on Jan. 18. In just more than a week’s time, thanks to donations ranging from a few cents to a few dollars, the effort has raised more than \$250. Pictured are members of the OCES faculty proudly displaying their “Help Change Haiti” shirts, while teacher Andria Nittinger holds a large jar full of dollars and change.
