### CHS golfer signs with St. Mary's

Canyon High School golfer Shawn Bennett recently signed a letter of intent to continue his golf career at St. Mary's University.

Bennett is the 2009 Junior City Open champion, a two-time regional qualifier, and a four-year varsity letterman. The CHS graduate has also made Academic All-District all four years of his high school career and was named to All-District Second Team in 2009. Bennett also graduated in the top 15 percent of his class. He received both academic and athletic scholarships from St. Mary's.

“For Shawn, it all starts at home,” said CHS golf coach Cory Fuller. “His parents instilled a strong work ethic that has transcended from academics to his athletic career, which goes to show that hard work does pay off. I am very proud of Shawn. He will make great contributions to St. Mary's in the classroom and on the course.”

Bennett is pictured here (from left) with his mother who is also a CHS teacher, Mary Bennett, CHS principal Brad Brown and Fuller.
