### **CISD parents invited to attend meetings on new Spanish immersion program**

Starting with the 2010-11 school year, Comal ISD will offer a new Spanish Immersion Language Program at both Rahe Bulverde Elementary School and Hoffmann Lane Elementary School for all current Comal ISD kindergarten students who will be entering the first grade.

Mandatory meetings for parents interested in enrolling their child in the Spanish Immersion program will be held on Monday, Jan. 25 at 6:30 p.m. at Rahe Bulverde located at 1715 East Ammann Rd. in Bulverde and on Tuesday, Jan. 26 at 7 p.m. at Hoffmann Lane located at 4600 FM 306 in New Braunfels.

Students registered in this program will be able to speak, read and write in Spanish by the end of the program and are expected to achieve as well or better in all other academic areas.

Because one of the goals of the class is to become bilingual and bi-literate, the students admitted into the program will be required to participate until the fifth grade. Both native English-speaking and native Spanish-speaking students are invited to register to be a part of this exciting program. This program requires the commitment of both the parents and the school community to be successful.

If you are interested in more information about this opportunity for your child, please plan on attending one of the meetings.
