Campus Message

The screenshot shows the txMyZone web application interface. At the top left is the logo "txMyZone" in orange and blue. To its right, a black box redacts a name, with "10th Grade SMITHSON VALLEY HIGH SCHOOL No Team Assigned" displayed below it. On the far right, a blue circle contains the number "14" with "UNITS REMAINING" written below it. A navigation bar at the top right includes links for "Logout", "Campus Message", and "Help". The main content area is a light blue box titled "Campus Message" containing the text "Welcome to txMyZone!". A "Close" button is located at the bottom center of this box. Below the message box, a grey bar contains a dropdown menu and a "Next Subject" button. At the bottom right, there is a "Submit" button. A warning message at the bottom of the page reads: "Once your requests are submitted, you will not be able to make any changes."

This is the **Campus Message** to update you on any information you may need to know. Click the **Close** button to close the Campus Message and continue to the select Courses Application.

Course Selection

- The **Subject Section** is located across the top of the screen. Click the appropriate subject you would like to view. You can also click the Next Subject or Previous Subject buttons at the bottom-left corner. When a subject link is clicked, the list of courses under the Available Courses section will change to correspond with the subject selected.
- To select a course from the Available Courses listed, click the red button with the green checkmark. That will move the course to the Requested Courses. Click the red button with the green 'A' to add to the Alternate Courses.
- The **Units Remaining** in the top-right corner of the page indicates how many semester courses you have left to select. This will decrease each time a course is selected for the Requested Courses area.
- If you wish to **Logout**, the toolbar in the top-right of the page allows you to logout when you click the link. At that point, no changes will be saved and you will return to the Login page of txMyZone.
