

# Parent/Guardian of a Senior 2012

1. I have visited your student in their English classes the week of November 1-5. They helped prepare this presentation by filling in a **2 part survey** in early October.

**PART 1** was a list of the top 3 choices of schools to attend and top 3 occupations they might want to pursue. I put this into an excel spreadsheet. This was shared with the Academic & Career Center Advisor Ms. Martinez. We can use this to invite them to college visits held in the College & Career Center and to make them aware of specific scholarships for certain careers.

**PART 2** was a section to ask questions for me to answer. The Q&A enclosed came from their questions. I am stressing to them all to take the SAT or ACT **this** year if they are attending a 4 year college or university after CHS graduation!!!!!!

2. We will be holding a workshop entitled **ULTIMATE MONEY SKILLS – MAKING COLLEGE COUNT** on November 18, 2010 at 6:30 pm in the CHS cafeteria! This is designed to help you think about how you will be funding your child's college education! Everyone is invited.
3. **Subject Selection** - We will begin the process of choosing classes for the Senior year the month of December. I will be sitting outside English classes to work with your student on 1-1 basis OR they can stop by my office if they have questions or concerns about making their last selections in order to graduate May of 2012. I have seen several already!!!
