

Investing today for our children's tomorrow... Together we can Enrich, Expand, Excel!

Over the past 10 years the Comal Education Foundation has awarded over \$600,000 in grants to Comal ISD. Our school district is truly blessed to have such talented and creative teachers. Below is a snapshot of the Excellence Grants that have been awarded over the past few years to give you an idea of what our educators are able to provide our students with Comal Education Foundation funds.
